

Visa® Debit Card Account Updater Service Opt-Out Request Form

Visa® Account Updater (VAU) is an account updating service in which your Central Valley Community Bank Visa Debit Card is automatically enrolled. When your debit card expires, is lost or stolen and a new card is issued, the VAU service may update relevant card data (card number and expiration date) to appropriate merchants who participate in VAU. This service provides updates to a Visa database only. The database is accessed by those qualified merchants seeking your account information after you have requested they process a recurring payment or payment(s) (such as gym memberships or utility payments). This service is provided as a free benefit to you to help facilitate uninterrupted processing of your recurring payments.

Since not all merchants subscribe to the service, we recommend you notify each merchant of your new card number and expiration date to ensure your payments continue uninterrupted.

If you wish to opt-out of the VAU service, please complete the information below:

Customer Name (Please Print)

Business Name (if applicable)

Date

Daytime telephone number
